VERY SUCCESSFUL WAS TEACHERS' INSTITUTE WHICH ADJOURNS TODAY.

Supt. Gilbert, Prof. Rhoads and Miss Buckner Make Interesting Addresses to Pedagogues.

Addresses by State Superintendent of Public Instruction V. O. Gilbert and State Supervisor of High Schools McHenry Rhoads were features of the Lincoln county teachers' Institute the latter part of the week. The institute adjourned this afternoon. It has been a decided success in every way and all of the teachers will return to their schools benefited and helped in the work of instructing the young.

President T. J. Coates, of the Eastern Normal, who spoke Monday, remained over that night, and spoke again.

He discussed some of the teacher's duties, saying first that the teacher should know his or her duty in school both in and out of the class room; second, that each teacher owes a duty to the community in which he or she teaches and should work in co-operation. Prof. Coates, in a short but well worded way, told what the Eastern State Normal stands for, namely, a good training for teaching, by working out the problems which come up in class room, etc.

Prof. W. P. Robinette, of Kings Mountain High School, gave an interesting talk on the best ways and means of promoting the interest of education.

Prof. U. G. Hatfield, of the Crab Orchard graded school, discussed means of improvement of teachers, saying this can best be done by the teachers attending summer schools, or reading educational journals and attending reading circles.

Prof. Cyrus Johnson, of the Preachersville school, interestingly talked on the methods of teaching.

An open discussion on Discipline, led by Prof. W. G. Benge, of Waynesburg, was next entered into and many methods were brought out.

On Wednesday, devotional exercises were conducted by Rev. M. D. Early, followed by a short talk on the relation of the home, the school and the church.

Miss Rubie Buckner, head of the Sewing Department in State University, gave a most interesting lecture on Domestic Science, saying that domestic science is the preparation for complete living. The house-wife should be trained for her duties as well as the professional or business man; she should learn modern methods so as to cut down long hours and the drudgery of keeping house. Domestic science also prepares the girl for home living or self support; also they become more economical and can run the house at a much less cost. It makes the woman more business-like. She said that domestic science should be taught in the rural schools.

At 11 o'clock, Prof. McHenry Rhoads arrived and conducted the institute for the remainder of the day. Speaking upon the transition of the pupil from the grades to high school, he said this is best done if the teacher in the grades will introduce some of the principles of the high school into the graded work and for the teacher in the high school to first familiarize the student with his new work. Prof. Rhoads then took up language work in the grades.

After the noon recess, a musical program was rendered, consisting of a piano solo, "Witches' Dream," rendered by Miss Annette Wearen, and a violin solo, "Sing Me to Sleep," by Clarence Singleton, accompanied on the piano by Miss Nancy Katherine McKinney. Both were much enjoyed by the audience. The remainder of the afternoon was given over to Prof. Rhoads, who talked entertainingly on spelling and grammar and the importance of a reading circle in each district.

Thursday morning the devotional exercises were conducted by Rev. D. M. Walker. Supt. V. O. Gilbert, head of the State's educational work, gave a most interesting talk on Character, saying that the teacher teaches what he or she really is and not what they pretend they are. He urged the teachers to be consecrated in their work; not to be jealous of another teacher's success for jealousy is an acknowledgement of superiority. At the close of his address he explained the Kentucky School laws.

After noon, a musical program, consisting of a piano solo, "O Sanctissimo," by Miss Frances Embry, a vocal solo, "Love, Here is My Heart," by Miss Katherine Gregory, was much appreciated.

Prof. Gilbert then discussed the Teachers' Reading Circle and deemed it very important that teachers should form these reading circles and keep posted on their profession as do other professional and business men. He urged that they strive in every way to be a blessing to humanity.

Rev. D. M. Walker and Rev. P. L. Bruce gave very interesting talks on the relation of the country church to the rural schools.

Reading Circles Organized.
In each of the four rural divisions in the county, a Reading Circle, has been formed, for the purpose of the teachers meeting together once each month and discussing their work and to become more efficient. The following officers were elected in each district:

1st. District—Prof. W. C. Wilson, President; Prof. W. R. Todd, Vice-President; Miss Annie McKinney, Secretary.

2nd. District—Prof. U. G. Hatfield, President, Crab Orchard; Prof. Henry Davis, Secretary, Stanford.

3rd. District—Prof. W. P. Robinette, President, Kings Mountain; a year next week. Do it now. 76-2 glist, 25c

Prof. Smith, secretary.
4th District—Prof. Walter Moser, President, Moreland; Miss Mary Peavyhouse, secretary, Hustonville. The institute closed Friday. It has been one of the most successful ever held in Lincoln county. Prof. W. C. Wilson has made a very able instructor and made the teachers in attendance feel that this was their institute.

The final devotional exercises today were by Rev. W. D. Welburn. The musical program consisted of a vocal solo, "Little Grey Home in the West," by Miss Elizabeth Higgins, who has had charge of the music during the week.

The remainder of the morning was taken up in distributing and explaining the school laws and school contracts by Supt. Singleton.

The institute finally adjourned at noon.

MORELAND.

The Educational Division No. 4 met at the Institute last week in order to arrange for the next Teachers Association and to elect new officers. Prof. Robinson presided over the meeting. Prof. Walter Moser was chosen Chairman, and Miss Mary Peavyhouse, secretary. It was decided that the next meeting will be held at the Bellview School at Moreland on the first Saturday in November, beginning at 2 p.m. The program committee which consisted of Prof. Moser, Miss Peavyhouse, Miss Kate Bogle and Miss Mamie Yancie has tried to arrange one that will be of vital importance to all teachers and very interesting to all outsiders who desire to attend. This is the first time the association has ever been held at that place and Prof. Moser cordially requests that all teachers be present and make this a record breaking meeting. Most teachers do not realize how important it is that they should have a self confidential meeting like this in which they could discuss the many problems that confront them. They should feel more interested in their work and in that of their neighboring fellow teachers. Refreshments will be served and an enjoyable as well as helpful time will be expected. The program is as follows.

Devotional Exercise, by local pastor.
Music.
Welcome Address, Prof. Moser.
Response, Mr. Reeves.
Why Teach Phonetics? J. E. Bennett, Mrs. C. D. Sims.
Successful Ways of Teaching Physiology, Miss Bessie Montgomery, Prof. R. H. Hopkins.

Adjournment.

Miss Ruby Hanson has returned from a few days vacation with relatives at Lexington and High Bridge. Dr. and Mrs. M. Lee Pipes and son, James, had a very enjoyable motoring trip to Louisville and Seymour, Ind., last week.

Mr. and Mrs. M. L. Marcum and two pretty little daughters started the 11th for a touring trip through Indiana and Kentucky. They will visit several points of interest before returning.

Mrs. B. H. Baker, of Danville and who is the daughter of Mr. and Mrs. Wm. Moser of this place, has gone on an extended trip to Kansas and other Western states.

Mrs. Mary E. Dinwiddie is visiting her daughter, Miss Mattie Dinwiddie in Louisville.

Mrs. George Johnson, who has been in poor health for sometime, is worse at present writing.

The following composed a touring party to Frankfort last Sunday: Mr. and Mrs. Virgil Cline, Mr. and Mrs. Shelby Hubble, Mr. and Mrs. Wm. Burgin and Mr. and Mrs. Gipson.

Miss Laura Sandidge has gone to enter school at Mileyburg.

Rev. E. L. Ford has gone to Lexington where he will resume his studies at Transylvania.

WALTON GOES TO RICHMOND.

His host of friends will regret to know that E. C. Walton this week purchased the Richmond Register, a weekly newspaper in the capital of Madison county, from Tom Pickles, and will leave on Monday to take charge of his new property. Both he and his popular wife will be greatly missed from Stanford again.

Ashby Warren Goes Up

Stanford Boy Appointed Chief Law Agent for L. & N.

A splendid and well deserved promotion was given Ashby M. Warren, of Stanford by the Louisville & Nashville Railroad Company this week when he was named Chief Law Agent. The position carries a handsome increase in salary and will necessitate Mr. Warren making his permanent headquarters in Louisville. Mr. Warren has been Claim Agent on this division for the L. & N., for a number of years and this great system has never had a more faithful employee in its service. Mr. Warren is a member of the Stanford bar and in every way splendidly equipped for the higher position he is called upon to assume in the service of this great railroad system. He succeeds James J. Donahue, who becomes an assistant district attorney for the road, taking the place vacated by Charles H. Moorman, resigned. Mr. Warren's host of friends are greatly pleased at this well deserved recognition of his faithful work and the ability he has so often displayed in his road's behalf, and all feel sure he will "make good" in his new position just as he has in the past.

R. C. NUNNELLEY SALE.

The splendid rain which fell Thursday did not keep a good crowd from attending R. C. Nunnelley's sale at Peyton's Well. The two farms were taken down—the home at \$100 and the other farm at \$68. "Black" Ike Shelby and H. B. Davis were the contending bidders on the former and D. Gover and Dr. W. B. O'Bannon on the latter. Farming implements sold well and live stock went at very reasonable prices. John B. Routh bought a brood mare for \$82; Collins Moore one for \$49 and a mule colt for \$50. R. H. Cooper secured a yearling bay mare for \$58 and Collins Moore paid \$81 for one; Frank Martin got a grey brood mare for \$47 and J. C. Eubanks a horse and mule colt for \$50. L. P. Nunnelley bought a four-year-old brood mare by Dorsey Goldsund for \$115; Ewart Givens paid \$108.50 for a bay gelding and Collins Moore \$137 for a Goldsund gelding—a good saddle. J. W. Powell bought the prize mule colt for \$100 and one of common grade was knocked off to J. D. Whitehouse, of Boyle, for \$31. Cyrus Gover got the family pony—a pretty spotted fellow, 11 years old, for \$150. W. D. Routh bought a five year old horse mule for \$139 and a grey horse mule went at \$90. Several milch cows were sold at \$35 to \$55 and a lot of heifers at \$15 to \$20.

MINKS MAKES RECORD TOUR.

O. L. Minks, proprietor of the auto line between Stanford and Danville, is back on the job again after a delightful trip of a week thru the west, during which he traversed Indiana, Illinois and part of Iowa, going as far west as the great dam on the Mississippi at Keokuk. Mr. Minks was accompanied by his wife, her parents, Mr. and Mrs. Lafe Morgan, and Miss Irene Morgan. They motored through in Mr. Minks' Maxwell touring car. The whole tour was about 2,000 miles and they made it at a total cost of exactly \$27, he says. This included the cost of repairing one tire, which was punctured, a broken spring, hotel bills and every expense of the entire party. On the Coast-to-Coast highway, Mr. Minks says that he made almost as high as 40 miles to the gallon of gasoline. Mr. Minks and party were gone about a week during which time Fred Hooper of Danville, operated the auto line between the two cities.

BURGLARS AT BRADFORDSVILLE

Early Tuesday morning burglars entered the store of W. B. Powell, at Bradfordsville, in which is located the postoffice. They blew open the safe in the office with nitro-glycerine, secured about \$50 in money and made a clean getaway. Stamps and money orders in the safe were not molested. Several people heard the explosion but thought it was a gunshot. Chief of Police J. A. Thompson, who went to the scene with his bloodhounds said he believed it was the work of yeggmen. A trail was struck which led to a spot not far from where the robbery was committed and where an automobile had evidently been left standing during the night. It is the general belief that the robbers came and left in a car.

General News Notes

E. P. Vimont, one of the oldest citizens of Millersburg, was adjudged insane.

Mrs. J. M. Wallace, wife of the mayor of Danville, died in the Danville hospital Monday night.

Geo. B. Williams and J. T. Hare, of Winchester, sold oil holdings in Estill county this week for a sum said to be close to a million dollars.

The British claim to have taken 10,000 German prisoners since the great offensive started on the Somme front.

Albert H. Azbill, a Richmond dentist, was held to the federal grand jury under \$3,000 bond on a charge of counterfeiting.

James Whittaker, five-year-old son of a Pineville drummer, shot himself through the neck while playing with his father's pistol. He will probably recover.

John G. Bruce, of Wilhoit, broke his right leg above the knee while practicing on the football field at the Transylvania University in Lexington late last week.

Because Gov. Stanley had not issued a writ of election, the Court of Appeals held that the nomination of M. J. Meagher for state senator in the Franklin district was void.

Simpson Hendren, 80, a famous singer of Mercer county, died Tuesday. He was director of the famous "Grapevine Quartet" and leader of the choir of the Grapevine church in Mercer until he became too infirm.

A dispatch from Danville to the Cincinnati Enquirer said that the new Hotel Danville, now under construction, has been leased to William C. Sneed, of Chattanooga and that the hotel is expected to be opened Jan. 1.

Following a fight on primary day on the public square in Scottsville, Allen county, Sheriff John A. Braswell has been indicted for malfeasance and four of his deputies for assault and battery.

The body of Frank Holt, who died under suspicious circumstances at Pellyton, Adair county two weeks ago was disinterred and physicians made an autopsy. Jeff Jones, suspected of murder, is in jail.

In spite of claims by union labor leaders in New York that 125,000 workers struck Wednesday in sympathy for the car men who went out September 6, there were no surface indications last night of a tie-up of the city's industries.

The second jury to try W. T. Ottley, democratic candidate for county judge in Adair county in 1913, stood 10 to 2 for conviction, but was unable to agree and was discharged. Ottley was charged with changing the result on the ballot books.

A. E. Williams, 62, son and last surviving member of the family of the late John Augustus Williams for years president of Daughters College at Herroldsburg and state lecturer of the Masons, died in Mercer county, this week. He leaves a wife and two daughters.

Does yours bring joy to the breakfast table?

North—East—South—West—women are solving the coffee problem.

commences with the first cup of poor coffee.

Armies have solved it. "An army travels on its stomach" and of the army breakfast, ask any soldier what he would miss most.

There is a coffee which brings a million men to breakfast "in a hurry"—a coffee that makes all these men eager to get to the breakfast table, slow to leave it.

Famous restaurants have solved it. They know that without the right coffee they would have failed.

Your grocer has this coffee—Arbuckles'. Today you can introduce its rich, full flavor in your home. Serve Arbuckles' for a week and notice how much more his breakfast means to him. Bring joy to your breakfast table.

Today there are whole towns where Arbuckles' is practically the only coffee used. In one State, alone, in a year, four pounds of Arbuckles' Coffee was used for every man, woman and child in the State—four times as many pounds of coffee as the population of the State!

Keeps Her Children In Perfect Health

DR. CALDWELL'S SYRUP PEPSIN
THE FAMILY LAXATIVE FOR
MANY YEARS.

Mrs. Aug. Doellefeld, of Carlyle, Ill., recently wrote to Dr. Caldwell, at Monticello, Ill., that she had used Dr. Caldwell's Syrup Pepsin in her home for a number of years, and would not be without it, as with it she has been able to keep her four children in perfect health.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts on the bowels in an easy, natural way, and regulates the action of this most important function. Nearly all the sickness to which children are subject is traceable to bowel inaction, and a mild, dependable laxative, such as Dr. Caldwell's Syrup Pepsin should have a place in every family medicine chest. It is pleasant to the taste and children like it, and take it readily, while it is equally effective for adults.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations

Splendid Blue-Grass Farm For Sale Privately.

I offer for sale privately my farm of 261 Acres, one of the best Blue Grass Stock Farms in Central Kentucky. Sunday School Classes Will Contest
Sunday—Newsy Notes.

Highland, Sept. 29. There will be a singing contest at Highland M. E. church Sunday. The following classes are expected to be there: the Fairview class with Prof. Hodge as instructor; one class from Pulaski with Prof. Fred Thompson, instructor; Prof. Jonas Ware with another class from Pulaski and the Highland-Mt. Moriah class with Prof. H. O. Young as instructor. The home classes will furnish dinner for the visitors, so everyone in the community is requested to bring well-filled baskets. Everybody is cordially invited to be present.

On Tuesday, Sept. 12, Mr. Claude Rogers and Miss Peachie Terry were joined in the holy bonds of matrimony by Rev. John Long at his home. When this young woman promised to care for this man in sickness, etc., no doubt she did not realize how soon she would be put to that test, which she is so faithfully fulfilling. Sad to relate, on the day after the wedding the doctor was called to see the groom and soon pronounced him to have a severe case of typhoid fever, which both the doctor and his many friends are fighting. It is sincerely hoped that he will make a change for the better.

Sorghum making and corn cutting are the principal occupations of the day. W. O. Young has a cane mill on C. M. Young's place and with Mr. John Hutchison, an experienced hand at the evaporator, is turning off some of the prettiest and best molasses that the writer ever tasted.

Since our last writing our female population has increased rapidly. Little daughters have arrived to bless the homes of Mr. and Mrs. Cap Butt, Mr. and Mrs. Eddie Young, Mr. and Mrs. Clifford Green and Mr. and Mrs. Roscoe Rogers. The last named mother was formerly Miss Zora Baugh, a teacher in our county, so instead of assembling with the pedagogues in Stanford this week, is kept busy caring for her 8 1/2 pound daughter, Margaret Grace.

The M. E. Conference which met recently, sent the Rev. L. R. Godbey of Science Hill, to fill the pulpit here. They also sent us a new district superintendent, the Rev. W. W. Shepherd, who will reside at Wilmore. Our former pastor, the Rev. G. W. Wright, was sent to the Corbin circuit.

Mr. Hoskins, who recently sold his farm to a Mr. Fortner, has moved below Hall's Gap.

Mrs. Ruahame Young is holding her own very well. Mrs. C. M. Young has been much worse for several days. "Sister" Cook is on the sick list.

Miss Pearl Cook has been such a sufferer with the nettles, that she was forced to give up her position and return to her home, much to the regret of her numerous friends.

Mr. and Mrs. G. W. Young attended church at Fairview Sunday.

Miss Lila Lewis is at home again after a few weeks' stay in Stanford. Miss Myrtle Lewis is in Stanford this week.

Miss Evelyn Baugh has gone to Danville, where she has accepted a position.

Mr. and Mrs. W. B. Baugh, of Danville, visited relatives in this community recently.

Miss Jennie Young went to Cincinnati Sunday.

Miss Serena Young is at home from Stanford during Institute week.

Miss Fannie Young, also our teacher, Mr. C. U. Greer, are attending institute this week.

Goebel Jones is at home again after spending a short time in Piqua, Ohio. Willie Young has returned from Cincinnati.

Misses Serena, Lucile and Roberta Young attended the missionary meeting at Pleasant Point Tuesday and report a profitable day and especially a good dinner.

It seems that the widowers and the widows can get married when the single ones can't. Mr. Reuben Melton, of this place was married Monday at Stanford to his first wife's sister, Mrs. Rosa Diggs, of Burnside.

Miss May Johnson, of Cincinnati, who is threatened with appendicitis, has come to her grandmother's in order to be treated by their family physician, Dr. Laswell, of Kings Mountain. She was accompanied by her mother.

Mr. Noah Terry, a regular caller at this "burg" has gone to Toledo, Ohio, and one of our most popular girls is rapidly pining away.

The Farmer boys of Neal's Creek seem to be becoming attached to Highland and it seems that there is no objection to this fact by several of our young ladies.

Hardin Young recently returned to Union College, Barbourville, Ky., where he will pursue his school work. He was accompanied by Miss Neeta Gilmore, who will also enter school there.

The following boys are cutting corn in the blue grass: John Ballard, Granville Young, George Gourley, K. Ballard, Charley and Elbert Lewis.

Mr. and Mrs. J. R. Young came over Sunday to see their new granddaughter at Eddie Young's.

Misses Grace Young and Pearl Cook, were pleasant guests of Miss Lila Lewis on Greasy Ridge, Tuesday night.

Stop The First Cold

A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy combination of soothing antiseptic balms in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your druggist 50c.

Slip a few Prince Albert smokes into your system!

Copyright 1916 by
R. J. Reynolds Tobacco Co.

You've heard many an earful about the Prince Albert patented process that cuts out bite and parch and lets you smoke your fill without a comeback! Stake your bank roll that it proves out every hour of the day.

Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

There's sport smoking a pipe or rolling your own, but you know that you've got to have the right tobacco! We tell you Prince Albert will bang the doors wide open for you to come in on a good time firing up every little so often, without a

regret! You'll feel like your smoke past has been wasted and will be sorry you cannot back up for a fresh start.

You swing on this say-so like it was a tip to a thousand-dollar bill! It's worth that in happiness and contentment to you, to every man

who knows what can be gotten out of a chummy jimmy pipe or a makin's cigarette with Prince Albert for "packing"!

that the United States Govern-
ment has granted a patent on the
process by which Prince Albert is
made. And by which tongue bite and
parch are cut out of the tobacco! Where
tobacco is sold you'll find
Prince Albert awaiting you
in tidy red bags; in tidy
red tins, too; handsome
tins, half-hand
tin humiders and in
that clever crystal-
glass humidor, with
spacious top, that keeps the
tobacco in such
fine condition
always!

Hustonville

King Swope passed through here Saturday on his way home from Liberty, where he made a speech to a good crowd.

Cotton-Eyed Joe was in town Saturday with a basket of the finest paw-paws we have ever seen.

Squire Ed Grubbs and Mason Popwell of Frye's Creek, were business guests of our town Friday.

Howard Cammitz, wife and son, and sister, Miss Edna Cammitz, of Danville, made a short visit here last week with friends and relatives.

Joe E. Wright, the great breeder and dealer of fine Jacks and Jennets was here last week, accompanied by a couple of southern horse and mule buyers from North Carolina.

Col. E. C. Hopper arrived home from Washington after a two weeks' visit to his daughter, Mrs. Gibbs, at Washington, D. C.

S. G. McKinney sold to North Carolina parties a fancy combined pony for \$75.

Dunn Sandidge returned this week from Newcastle, Ind. He will leave shortly for Bowling Green to resume his studies at the business college, which he was compelled to give up on account of sickness.

Dan McCollum, of Junction City, was here Friday evening, looking rather pleasant, especially when any of the fair sex were in sight.

Miss Sibley left for her home in Louisville Friday after a pleasant visit here all summer among relatives and friends, of which she made many, while here.

Those in attendance at the jolly party given by Miss Salena Royston on Saturday night were: Leonard Foster and Miss Ethel Smith, Theo. Cowan and Miss Bertha Davis, Frank Spangler and Miss Ella Rigsby.

Misses Lucy and Joy Smith visited their sister, Mrs. Stevens, last week.

Mrs. Ellison and Mr. Mahan, of Williamsburg, are visiting their sister, Mrs. Nannie Smith.

Mr. and Mrs. Stevens visited his mother, Mrs. Nannie Smith last Saturday and Sunday.

Mr. J. R. Rigsby, wife and daughter visited at the home of J. A. Da-

vis Saturday and Sunday.

Mrs. Allie Wilson and children visited her father, Jim Hoskins Sunday.

Miss Sidney Hoskins has recently returned from a visit to friends in London.

Mrs. Sowders is very low at this writing.

Brack Ledford and sister, Cora, visited Miss Bertha Davis Sunday afternoon.

Miss Ellie Hoskins visited Miss Cora Ledford last week.

Mr. Herschel Spangler will leave next week for Berea, where he will enter college.

GASOLINE PLANT IN WAYNE?

Reed Carpenter, of Monticello, Wayne county, was in Lexington last week endeavoring to interest Lexington capital in a proposition to build a \$15,000 manufacturing plant at Monticello, which is in the center of a rich oil and gas section. The products have been manufactured there in small quantities for some time. He plans to have Lexington men take out \$100 stock shares and to receive gasoline in return for their investment.

Political Announcements

The Interior Journal is authorized to announce the following candidates for office subject to the action of the Kentucky Legislature, August, 1917. (Announcement fee for each county office is \$10; for district office, \$15; for city or magisterial office \$5. No announcement will be made until fee is paid in advance.)

FOR SHERIFF—
J. H. LIVINGSTON.

Judge B. J. Bethurum, of Somerset, was awarded \$15,000 damages against J. W. Simpson, editor of the Monticello Outlook, last week for a libelous article about the judge published by Simpson last February. The Somerset News says that Simpson confessed to the charge, so that the Judge must have had the "deadwood" on him as the old saying is. We have not the pleasure of Simpson's acquaintance but do know that there is not a fairer, squarer man anywhere than Judge Bethurum. Just what Simpson said about him has escaped our memory but it must have been a case in which there were no mitigating circumstances.

Senator Ollie M. James brought cheering news to Kentucky Democracy from the east when he came home this week. He says that all indications are that the opposition to President Wilson has gone to pieces and that the thinking people of the nation are rallying to the standard of the president by many thousands.

Dr. A. M. Peter has been temporarily appointed head of the State Experiment Station until Dr. Kasche's successor is chosen.

National Bank Examiner John B. Chenault, of Richmond, was in Stanford this week, looking over the books of the local financial institutions, both of which he found in excellent condition, as their recent reports to the Comptroller of the Currency at Washington, amply demonstrated.

Chronic Catarrh is Curable

Nothing is more distressing to the sufferer and his friends. Chronic catarrh is a disease that it may manifest itself in a long silence. Only a constitutional treatment will overcome systemic catarrh. Local treatments sometimes help the acute manifestations, but they cannot overcome the systemic disorder.

PERUNA Has Helped Thousands

It is a fact to catarrh. The voluntary testimony of thousands establishes that Peruna benefits in a number of ways. Peruna builds up the digestion, restores the strength, and helps put the system in condition.

Peruna has special value in catarrh. It gives vitality to the system, restores tone to the membranes and enables these to perform their functions. In many cases its beneficial effects are so rapid that failure when treatment is continued properly.

The Peruna Medical Department will be glad to assist you to overcome this disease. The doctor's advice is free. Don't delay treatment.

THE PERUNA CO., Columbus, O.

Announcement was made at Democratic campaign headquarters Tuesday that Senator Beckham will open the campaign for President Wilson with an address at Calhoun, McLean county, on the afternoon of October 7. Pressure to secure the services of Senator Beckham has come to state headquarters from every part of the state, and it was finally decided to have him deliver his first address at Calhoun. At this meeting Mr. Beckham will review the record of the Wilson administration, and his speech will be one of the most important of the campaign. William J. Bryan will speak in Kentucky twice on October 19. The places for the speakings have not been definitely fixed, as Mr. Bryan has speaking engagements in Pennsylvania on October 20.

Ellison.

The Enlistment Day at Pilot Baptist church was well attended. Dinner was served on the grounds. Bro. Roach, Baptist missionary to China, was one of the visitors. His address was of intense interest. He told of some of the things that are being done in the way of converting and educating the Chinese people. Bro. Walters, of Corbin gave a talk on, "Why Missionaries Are Sent To The Foreign Countries." Miss Wilson, of Bardstown was also with us. She had charge of the work of organizing a Woman's Missionary Union. The Union at Pilot was organized with thirteen members. The following officers were elected: President—Mrs. J. M. Robinson, Vice-President—Miss Elsie Singleton, Secretary and Treasurer—Miss Lois Hubble. Rev. E. W. Coakley is to be congratulated on the splendid work he is doing, as pastor of our church and also for the results he is gaining. Pilot Church is steadily growing and its influence is becoming greater in community. We consider ourselves fortunate indeed in being able to secure the services of such a man as Rev. Coakley.

The Baptist Sunday School Convention will meet at Pilot Church on October 10th. Everybody is cordially invited to come and bring a basket of dinner. Rev. Brock, Sunday School Secretary will be with us on that day.

Miss Pearl Dye, of Cincinnati, was the week end guest of Mrs. G. W. Williams.

Joey Ellison has returned home from Cincinnati, where he has been working for some time.

Mr. T. H. Gritton and wife, of Humphrey were the guests of their daughter, Mrs. J. M. Robinson, Saturday and Sunday.

Granville Williams is able to be out again after a severe attack of typhoid fever.

Mr. I. C. Singleton has been indisposed for several days.

Mr. G. Calhoun and family, of North Carolina are staying with Mr. Arthur Cornett for a few days. Mr. Calhoun has purchased a farm on the Stanford pike near Green Briar.

Several farms in this vicinity have recently changed hands. The buyers come chiefly from the mountains of Eastern Tennessee and Eastern Kentucky and North Carolina.

Dee Elliot, of Mt. Olive was a recent visitor here.

Several fields of buck wheat were bitten by the frosts that came late last week.

Mrs. Mary Boggs is rapidly recovering from an attack of typhoid fever and pneumonia. Little Ansel Spaw is on the road to recovery from similar diseases.

Mr. and Mrs. Pat Day entertained a member of the young folks Monday night with a social.

Logan Stephenson is very much interested in politics this year, but we are sorry to say that he is on the wrong side of the fence.

V. J. Dickerson, of Atlanta, Ga., was in our neighborhood last week.

Flour reached its highest price at Chicago this week since the Civil War, going to \$9.10 a barrel.

LATEST WAR NEWS.

An unofficial dispatch from Athens gives the text of the proclamation of a provisional Government in Crete by former Premier Venizelos and Admiral Coungouriotis, which declares that if the King should decide not to take the lead of the national forces "it is our duty to do the needful thing to save the country from the threatening ruin."

The Russians are attempting to advance between Iutsk and Vladimir Volynski, but are being met with vigorous Teuton counter attacks. Heavy casualties were inflicted on the Russians, says Berlin. The Russian War Office says 420,000 prisoners have been taken since Brussiloff's offensive began.

British forces have captured the greater part of a German redoubt north of Thiepval, taking nearly 600 prisoners, according to the British official statement. On the rest of the front positions previously won were consolidated.

HAVE YOU WEAK LUNGS?

Do colds settle on your chest or in your bronchial tubes? Do coughs hang on, or are you subject to throat troubles?

Such troubles should have immediate treatment with the strengthening powers of Scott's Emulsion to guard against consumption which so easily follows.

Scott's Emulsion contains pure cod liver oil which peculiarly strengthens the respiratory tract and improves the quality of the blood; the glycerine in it soothes and heals the tender membranes of the throat.

Scott's is prescribed by the best specialists. You can get it at any drug store.

**GIRL COULD
NOT WORK**

How She Was Relieved from Pain by Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my period came I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss CLARICE MORRIN, 22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.

M. J. Hoffman, of Whitley, was here Wednesday. He had been up to his farm near Moreland to see about the building of a barn on the site of the one that was struck by lightning and burned some months ago, but the lumber was not ready. A Distinctive Reason

What is the chief reason for the superiority of Royal Baking Powder?

There are several good reasons, but there is one which distinguishes Royal from other baking powders.

This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in Royal Baking Powder.

Serious Blood Poisoning

Set In When Everett Carson Injured
Thumb—West End Items.

Hustonville, Sept. 29.

Dr. J. R. Cowan, of Danville, was hurriedly called Wednesday morning to see Everett Carson, who was suffering intensely with his left thumb. The member, at first seemed to be slightly bruised, but blood poisoning developed. Drs. Cowan and Childress lanced the member on four sides and Mr. Carson's pain was relieved considerably.

Sam Hale, formerly of Pulaski, but now of Indiana, is here among relatives.

Powell & Depp, of the West End, sold to George Cunningham, of Danville, a couple of milk cows and calves for \$125 and a pair of three-year-old horse mules for \$300.

Mr. Ben Woods, of Lexington, was the guest of his daughter, Mrs. S. S. Robinson, recently.

School closed this week for the institute at Stanford which all the local teachers are attending. During the short vacation, the School Trustees are having the floors oiled and the roof painted. School will be resumed next Monday.

M. J. Hoffman, of Williamsburg, is here arranging for the erection of a new barn on the site where his old one was struck by lightning and burned last summer. Joe Will Rout has the farm leased for this year.

Anderson Nunnelley, of Peyton's Well, was here Wednesday morning on business.

Mrs. Sophia Carpenter has taken rooms at the Hotel Weatherford for the winter.

Dallas Rule, of Liberty, passed through here Tuesday evening with a string of about half a dozen new Ford cars bound for Liberty where he had them sold.

Was A Complete Nervous Wreck, Mrs. J. E. Kuhn, Lone Ridge, Kentucky, Is Now Very Happy

"I had a nervous breakdown. I had sick headaches and indigestion until I took that great nerve tonic called Tanlac," said Mrs. J. E. Kuhn, Lone Ridge, Kentucky.

"My, but I was extremely nervous. The pains in my head were severe and the gas which formed on my stomach after eating was greatly distressing.

"Tanlac has been the means of strengthening my entire system. It gave me relief from headaches and indigestion. It certainly is a strength builder."

Kentucky has thousands of people who endorse this wonderful remedy because it gave them strength.

Strength is taken from the food that is eaten. A farmer does not plant seed in uncultivated ground. He first plows the earth so the seed may take root. If the ground is poor he improves it with fertilizers.

His chances for a good crop would be small if he sowed in uncultivated ground.

And so it is with a person. No matter how much food is eaten, if it is not properly digested it will not make strength. It is useless to "plant" food in an "unfertile" stomach. The farmer uses fertilizer; you should use a digestive ferment. The point gained by the farmer is the same as it is with the person—it is strength.

Tanlac is being specially introduced in Stanford at the Penny Drug Store, E. R. Coleman, Prop. 77-1. Tanlac can now be obtained in following nearby cities: Moreland, Abraham, Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellensburg, W. C. Bryant; Crab Orchard, Lyne Bros.; Brodhead, John Robins; Lancaster, R. E. McRoberts; Bee Lick, J. Reynolds & Son; Waynesburg, W. A. Horton.

A feature of the convention was the address of former Governor George Hodges, of Kansas, who told of the effect of State-wide prohibition. He said in part:

"We have not had a licensed saloon in Kansas in thirty-four years, but I come not to defend prohibition. It needs no defense. Our freedom from crimes, imbecility, pauperism, degeneracy, feeble-mindedness and the attendant evils that follow the use of liquor bespeak in no unmistakable terms the value of prohibition.

"The death rate throughout the United States is about 10 to 100,000. In Kansas it is 9-10.

"The average land tax, exclusive of improvements, is less than four cents an acre. Kansas has no state bonded indebtedness. We're not entirely free from consumption of liquor. Kansas spends \$1.59 per capita for liquor; throughout the United States it costs \$28 per capita. If our people drink the same amount of liquor that the same number of people do in other states, we would spend about \$50,000,000 more for liquor than we do.

"We spend five times as much money on our school system as we spend for liquor, and that is the solution to the statement that we have only 2 per cent of illiteracy.

"When I retired as Governor a year ago, we had a prison population of 700. We have \$150 on deposit in the banks for each man, woman and child in the state.

"Twenty-eight counties did not have a jail prisoner during all of 1914. Forty counties did not send a prisoner to the penitentiary that year. Twenty counties did not have a prisoner in the penitentiary that year, nor have they had for years. A dozen counties have not called a jury together in years to try a criminal case, and in fact they would not know the meaning of the word "grand jury." Nineteen counties have no poor farms. Thirty-two counties have no indigents. Our state has the remarkable showing of only one millionaire and only ten children taken care of in the poor farm last year. It has a greater per capita wealth and a much more evenly distributed wealth than any state in the nation.

"We only have one feeble-minded for every 3,300 self-possessed citizen. One insane for every 576 insane. Less than 3 per cent of our insanity is due to alcoholism.

"A state should be judged by what it does in an emergency, and during the financial panic of 1907 we made an immediate response to their request for money and sent them \$50,000,000 in gold. Within four months after an appeal was made to farmers and business men, we sent to Belgium 63,000 barrels of our best Kansas flour.

"Of the school population of 600,000, four-fifths of the number were enrolled in school last year. "One half of the population of Kansas never saw an open saloon and I dare to say that one-fourth or more of the young men and women never saw a drunken man in Kansas.

"Our state has less degeneracy, imbecility, pauperism, crime, insanity, feeble-mindedness, in proportion to our population than any other state in the nation. A greater per capita wealth, a greater circulating medium, more contentment and less death rate than any other state. You will have to agree that we are a superior class of people, or that these blessings, both commercial and moral have come to us because there has not been a licensed saloon in Kansas in thirty-four years."

Mr. and Mrs. John Todd, of Buck Creek, have been visiting Mrs. Everett Estes.

Mrs. J. S. Floyd and son have had their store and dwelling painted.

Mr. Thomas Francis and family left Sunday for Covington, where they plan to make their future home.

Mrs. Mary Floyd spent last week with her aunt, Mrs. Lizzie Floyd.

Aunt Ann Floyd has gone over on Indian Creek to visit her niece, Mrs. Mitchell Perkins.

Prohibition In Kansas

Described by Gov. Hodges at W. C. T. U. Convention.

Mrs. Adelia Woods and Mrs. J. F. Gover, of the Stanford chapter of the Woman's Christian Temperance Union, returned home Wednesday afternoon from Lexington where they attended the state convention of the Woman's Christian Temperance Union of the Kentucky. At the final session Mrs. Frances E. Beauchamp was re-elected president for the 22nd time. Lincoln county delegates took a prominent part in the convention which was very largely attended. Mrs. Gover served on the Resolutions Committee, and Mrs. J. K. Baughman of Hustonville, was on the Credentials Committee, and was also chosen to deliver an address to the Central Christian church Sun-school.

A feature of the convention was the address of former Governor George Hodges, of Kansas, who told of the effect of State-wide prohibition. He said in part:

"We have not had a licensed saloon in Kansas in thirty-four years, but I come not to defend prohibition. It needs no defense. SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months.

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.
